

Diabetes by the numbers

1 in **3** Canadians –
11 million – have diabetes or
prediabetes today

Another Canadian is diagnosed
every 3 minutes

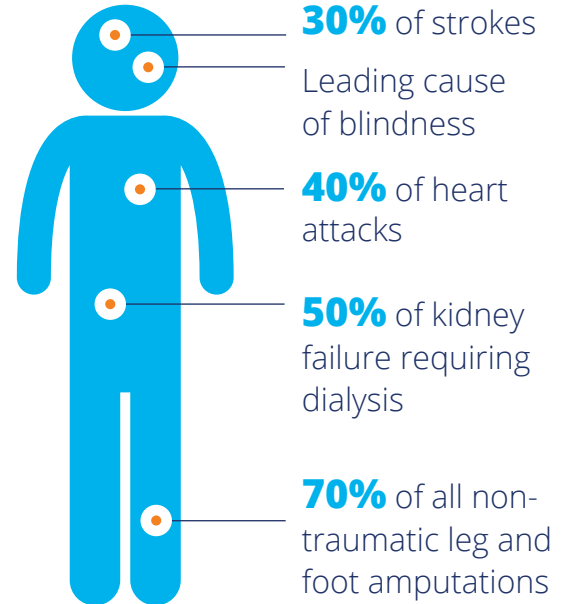

1.7 million
Canadians have type 2 diabetes –
and don't know it

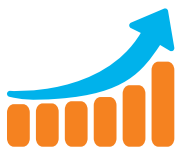

Nearly 6 million
Canadians live with prediabetes –
if left untreated, more than half
will develop type 2 diabetes within
eight to 10 years

Health impact – from head to toe

Let's End Diabetes

A world free of the effects of diabetes is our vision. That's why we're working together to:

Improve
the quality of life of
people living with
diabetes

Share knowledge
and create connections for
individuals and the health-care
professionals who care for them

Advocate
through public
policy

Fund research
to improve treatments
and find a cure to end
diabetes

Together we can End Diabetes

Diabetes Canada relies on generous donations from people like you to help Canadians with diabetes or prediabetes and to End Diabetes. Donate now at diabetes.ca/donate.
